

It's Pickle's 4th birthday, and you're invited!

Where?

St. Andrew's Park, Pickle's favourite spot! Once all of the pinecones are chased, the humans can find a nice pub for the dogs to snooze.

When?

Sunday 14th, at 4pm. If you're bringing one of Pickle's pals then please rock up early so she gets a fun surprise :]

What should I bring?

Tiny tennis balls and duck treats will go a long way to win you a place in the little guy's heart.
